

Video Taping and Cameras:

Since we are in the gymnasium and the show is very informal , you will be allowed to video tape and take pictures of your children during their performance. However for the safety of the students you can only take pictures from your seats or from the sides of the gym.

Refreshments:

Food and drink will not be allowed in the gymnasium at any time.

Achievement Pins:

All achievement awards will be given out the last lesson before the gym show. We will also hand out any "Special Awards" at that time. Parents please sign up your child according to how many years they have been here. The sign up list will be posted in the back lobby by studio A. We will once again be giving out colored pins for each year that you take a dance/gymnastic class. Every year represents a different color.

Last Parents Day:

All parents should be present on the last day before the show. June 2nd and June 4th will be the last parents day .

Money Past Due:

Anyone that still owes class tuition will not be allowed to purchase tickets or participate in the show until their bill is paid in full. That includes two weeks of June tuition for gymnastic students. (June tuition= \$17.00)

For any questions or concerns please see Lisa, Alison, Debbie or Heather
