

Thursday

Dress Rehearsal Schedule

PLEASE READ

These times posted are approximate only. All students should be at the facility at least 1 hour prior dressed and ready to perform. Keep in mind, this is the FREE night for all the kids to watch the show, if they go into the audience on Friday or Saturday they will need a discount student ticket. On Thursday we will call each number to report to the back stage at least 5 numbers before hand to line up. Keep in mind, dress rehearsal is not only for the dancers but for our lighting crew, stage hands, audio/video, and more. It is always the most hectic night of the 3 shows as we are running both Friday & Saturday numbers. The only numbers not performing Thursday are; solos, duos, trios, and the Extra Team group numbers, as these have all been performed on stage at competitions this season. It would make Thursday too long of a night especially being a school night.

Please let us know of any back to back numbers or quick changes, (If a student has 3 or less numbers, they can change in the back stage dressing rooms for those particular ones.)

- 5:00 1. Opening #- Dancing thru Time (All Teams)
